HAMZA IQBAL

Cybersecurity Professional | Red Team | Network Security

Date of Birth: May 1, 2007 • Father's Name: Mazhar Iqbal

PROFESSIONAL SUMMARY

Motivated cybersecurity student and aspiring security engineer with hands-on training in ethical hacking, LLM security, red team operations, and network administration. Holds multiple industry certifications including CEH, CCNA, MCSA, and three Red Team Leaders certifications in LLM security. Passionate about offensive security, vulnerability assessment, and building secure systems. Seeking opportunities to apply and grow technical skills in a professional cybersecurity environment.

CERTIFICATIONS

Certified LLM Security Expert (CLLMSE)
Red Team Leaders | September 2026

Certified LLM Security Professional (CLLMSP)
Red Team Leaders | September 2026

Introduction to Red Team Operation Management
Red Team Leaders | September 2026

Certified Ethical Hacker (CEH v10 & v12)
EC-Council

Cisco Certified Network Associate (CCNA)
Cisco

Microsoft Certified Solutions Associate (MCSA)
Microsoft

EDUCATION

Bachelor's Degree (2nd Semester — In Progress)
University | 2026 – Present

Diploma in Cybersecurity (In Progress)
PNY Trainings | 2026 – Present

TECHNICAL SKILLS

Offensive Security: Ethical Hacking, Penetration Testing, Vulnerability Assessment, Red Team Operations

AI / LLM Security: LLM Threat Modeling, Prompt Injection Defense, OWASP Top 10 for LLM, AI Security Testing

Network Security: Network Scanning, Firewall Configuration, TCP/IP, DNS, DHCP, VPN, IDS/IPS

Systems Administration: Windows Server, Active Directory, Group Policy, MCSA-level Administration

Networking: Routing & Switching, VLAN, Subnetting, CCNA-level Network Engineering

Tools: Nmap, Wireshark, Burp Suite, Metasploit, Kali Linux, Nessus

KEY COMPETENCIES

- Security assessment and vulnerability identification
- Network architecture analysis and hardening
- LLM and AI system security evaluation
- Red team planning and operation management
- Incident response fundamentals
- Security report writing and documentation

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge.
